Check-in Information

The standard opening times for check-in desks are two hours before departure and we strongly recommend that you check-in early. Most airlines close their check-in desks 40 minutes before scheduled time of departure. Carriers fully reserve the right to refuse boarding to any passengers who do not comply with these check-in deadlines. For travel to the USA, it is advisable to be at the airport three hours before your flight leaves as security checks are more extensive. Travelstart holds no responsibility for passengers arriving late for check in.
