Another Roadmap School

- transregional collaboration ("cluster projects") between groups - small scale exchanges and larger projects
- Common structure
- international meetings
- multivoiced gallery of arts education
- web platform for communication and "learning units" from the projects
- after 3 years: joint publication and exhibition

Key area 1: histories

What are the histories and modes of migration of arts education (curricula)?

Key area 2: conditions

Which policies guide arts education in the diverse local contexts, how do they interact with actual practices and what are their history?

Key area 3: plotting alternatives

Which other paradigms for practice emerge in the diverse contexts of the working group?

Aims

- to analyze current policies and practices of arts education
- to critically analyze the conditions, legacies of a colonial/colonialized arts education
- to plot alternatives and develop other possibilities for practice and research in arts education

Meeting structure

- Three phases:
 - presentation stage
 - clustering stage
 - cluster working stage
- Additional:
 - workshop for discussion of the school structure
 - plenary session
 - public programme

key area 1: histories

What are the histories and routes of migration of arts education concepts?

key area 2: policies

Which policies guide arts education in the diverse local contexts, how do they intersect with actual practices and what are global factors?

key area 3: plotting alternatives

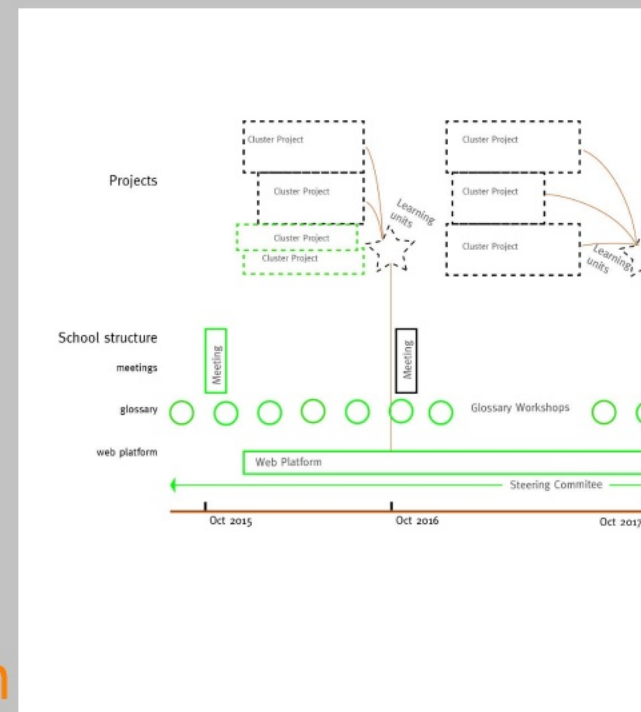

Which other paradigms for practice emerge in the diverse contexts of the working groups?

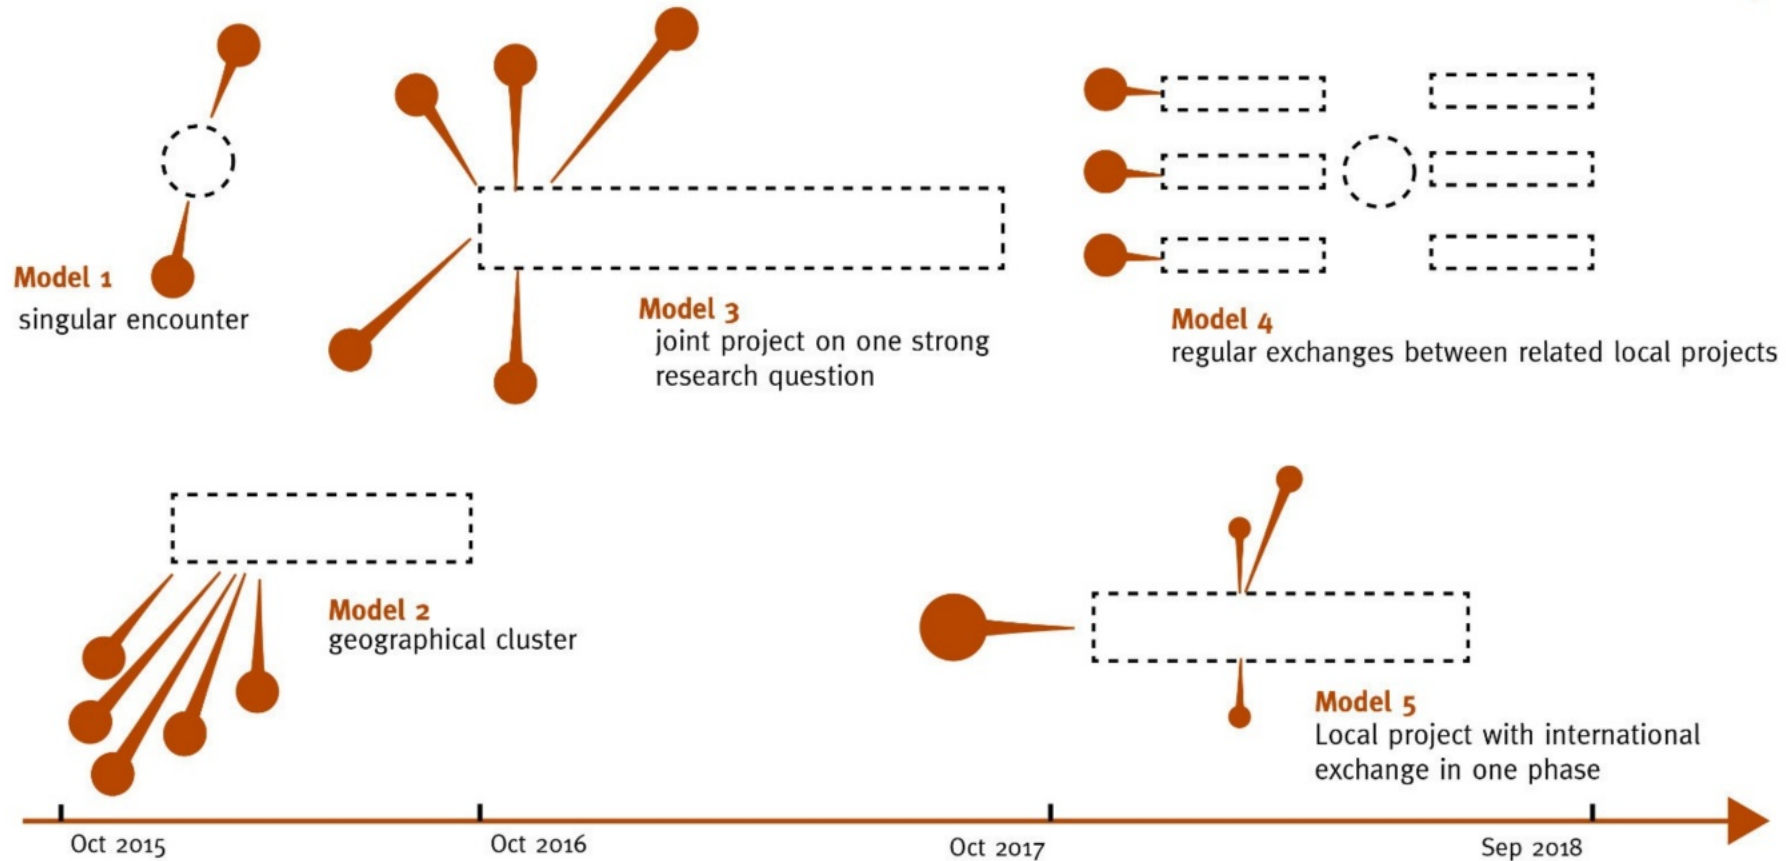

Aims

- to analyse current policies and practices of arts education
- to critically assess the continuing hegemony of a colonial westernised arts education;
- to plot alternatives and develop other paradigms for practice and research in arts education.

Another Roadmap School

- transregional collaboration ("Cluster projects") between groups - small scale exchanges and larger projects
- Common structure:
 - international meetings
 - multivocal glossary of arts education
 - web platform for communication and "learning units" from the projects
 - after 3 years: joint publication and exhibition

Cluster Projects

- involve at least two working groups in different locations
- produce an outcome for the network/further audiences (learning units)
- relate to one/more of the key research areas of the Another Roadmap School
- adapt to the general project timeline (presentation of results at int. meetings, online and final publication,...)

Organization

- commitment to work against unequal structures of knowledge economy (practice-academy, south-north)
- decentral, horizontal organization
- steering committee

Current committee: Javier Rodrigo/Aida Sanchez de Serdio, Ugochukwu Smooth Nzewi, Emma Wolukau Wanamwa, Alejandro Cevallos, Rubén Gaztambide Fernandez, Nora Landkammer/Carmen Mörsch, Eileen Legaspi-Ramirez
